

I Love to Worship You

Verse 1

You gave up all of your glory;
You chose to give your life,
And I have no way to repay you,
But oh how I love to worship you.

Bridge 1

All of your mercy, all of your love
Freely you offer to me.
Daily your spirit fills me with joy,
And I want the whole world to see.

Verse 2

You paid with blood for my freedom;
My blood just would not do,
But I have this one way to thank you,
And oh how I love to worship you.

Bridge 2

Now that your spirit fills up my heart
Praises to you freely flow.
How I rejoice in your love for me,
And I want the whole world to know.

Verse 3

You paid for all my transgressions;
You died that I might live.
Now I live to worship and praise you.
Oh God, how I love to worship you.

Ending

I love to worship you.
